Dear Member-

We have some events scheduled which are coming up fast. This summer is racing past and my hope is that we can all find some time to participate. That said, I am in the middle of a family crisis and am letting some items go undone these days. The newsletter will have to catch up in future months.

My Dad is home with hospice care and so I will have to ask for your understanding. Next weekend in the Jim Coll Stunt Contest and we are hoping to have some member volunteers to cover the necessities. While Tim Stagg and Jack Rosemere do the bulk of the work, we still need to have some scorekeepers and people to help with food.

See you all at the field.

Jack Upchurch, President
