Dear Member-

Another year is almost over and the Holidays are upon us.

**Plan to bring something to our Club Christmas Party meeting next Wednesday - something good to eat, something to tell your ESAC friends, bring a friend who might be interested in the club or bring a family member.**

No matter how busy we all are, this is the time to gather with loved ones and share a few moments of Peace and Joy.

See you all at the field.

Jack Upchurch, President

## A meeting was called to order . . .

November 9 -- 7pm.

The meeting was called to order in the Train Station.

The Treasurer could not make the meeting, but we know there are sufficient funds to continue operations.

The 2012 slate of Officers was approved by those in attendance. Congratulations are in order to a club who successfully coaxed all of the current officers into doing their jobs for another year without a raise in pay.

The topic of member dues was discussed, and it was decided that current levels are sufficient for 2012.

We discussed what to do with next years member cards. It seems that some members never show up to pick them up and our Membership Coordinator has to carry them around all year. We decided to mail cards out next year in March for those members who have not picked them up at meetings or at the field.

Duane had his shiny new biplane - Super Skybolt - Great Planes Kit to show. What marvelous workmanship. George had a TimStagg F15 foamy to show as well.

Joe Noll DVD was screened until the group dozed off or went home (or both).

There being no further business, the meeting was adjourned at about 8:15pm.

## About Eastern Shore Aeromodelers Club

We are an AMA chartered club, with membership open to those with an interest in things that fly. Check out our website, come to the field and watch us play with our toys, and join us if you like what you see.
