AMA Chartered Club # 4095

6035 Shiloh Camp Road Hurlock, MD

Dear Jack,

This is a trial run using an email newsletter. With 60 members, the cost of producing a paper newsletter is approaching \$35 per month. This internet based service is available for less than half of the paper cost, and takes us less than half the time to produce. Give it a try, let us know what you think about it, and then we can keep it or go back to paper.

In case you hadn't noticed- the weather is getting perfect out there for flying. We all need to remember all that stuff we know about safety. The club maintains a respectable safety record, and each of us is responsible for keeping it that way.

Sincerely,

Editor

Peanut Butter Cracker - Whistle - Fly timed event, Spot Landing, and Taxi through an obstacle course. Both Seaford and Marks clubs have indicated interest. We will host this first year event on May 16 11am-2pm +/-, will have food for sale, raffle tickets for sale, and provide prizes. Rain Date to be June 19. A trophy will be provided to the club with the most points - a prize to be coveted by all, and won back next year by those who lose this first year.

Some discussion was had regarding a new club T-shirt design. The pres will attempt to get something going in this area.

IMAC "Battle at the Bay" was confirmed for July 31- Aug 1 weekend.

Some members are having difficulty downloading some .pdf files from the club website. These documents have been checked, and it is suggested that anyone having difficulty with these should try updating their Acrobat Reader program to see if that solves the problem.

There will soon be a solar powered battery charging station at the field. Members are encouraged to keep an eye out for it to appear, and then give it a try. Feedback as to functionality and any problems will be appreciated.

There being no further business, the meeting was adjourned.
