**AMA Chartered Club # 4095**

**6035 Shiloh Camp Road Hurlock, MD 21643**

### Hey Hey Member,

The weather warmed up for just a day or two and members found some time to fly. The AMA sent an email announcement asking members to email their Congressmen about upcoming votes on the FAA regulations for our air space. Those who responded, thank you. Those who did not, please consider doing so. Politicians do respond to piles of voters voicing concerns about an issue - AND THIS ONE IMPACTS OUR HOBBY.

Time to check out those airplanes before flying season is upon us. Give the control surfaces a tug to see if they are still connected to the airplane, check receiver batteries, landing gear, fuel tanks and hoses. Better to do this at home than to figure it out after takeoff.

See you all at the field.

Jack Upchurch, President

### Some sightings at the field . . . .

### Club Calendar

Next Club Meeting: This  
 Wednesday - March 9 - 7pm - at  
 the Train Station

### To Be Discussed at the next meeting

1. FAA Update

Lots of new toys at the field

zlin

Eric finally lands nose level

A foamy comeback??

homeless man found sleeping in bob's trailer

ferocious guard dog on the job

Jack wonders why his plane won't taxi

valiant on final flight

good day for a bombing run

### **A meeting was called to order ...**

February 9- 7pm -- at the train station.

The Treasurer reported balances of \$843 in checking and \$2023.30 in savings. Several members paid dues for 2011 bringing our paid up number to 37. Lee reported some medical issues which will likely require surgery. He promised to keep us up to date with the details.

Club events were discussed. The Slow Survivable Combat group suggested having an event on Saturday, May 21. There would be about 15 pilots who would need full access to the field from about 8am-4pm. Dennis Blades will complete the club event forms and provide details. Members expressed interest and the date was placed on the calendar.

The members were put on notice about pending FAA regulations which will govern national airspace. The AMA has been working for many months on this issue, and has requested members to stay in tune and speak up when the time comes.

A new American Flag has been purchased and will soon be replacing the old wind worn flag we have in place at the field.

There being no further business, the meeting was adjourned at 8:45 pm.

### **About Eastern Shore Aeromodelers Club**

We are an AMA chartered club, with membership open to those with an interest in things that fly. Check out our website, come to the field and watch us play with our toys, and join us if you like what you see.
